

anewamerica Business Directory 2009-2010

empowering new american communities in the bay area

A word from our President and CEO

Dear Friends of AnewAmerica:

Thank you for using AnewAmerica's Business Directory! These businesses reflect the hard work of our entrepreneurs, with backgrounds in over 60 countries. Many of our entrepreneurs fled hardship and persecution in their native countries, only to find themselves without the resources and connections to pursue their dreams in America. With the help of AnewAmerica, our entrepreneurs are empowered to combine their creativity and ingenuity with business aspiration.

Our innovative Virtual Business Incubator (*VBI*) assists new Americans (immigrants, refugees, and new citizens) for three years to start their own small business, develop their assets in the short- and long-term, and become involved in their communities. Through our **Asset-Building** component, entrepreneurs gain the knowledge and skills to achieve long-term savings goals and secure vital assets for their families. Through **Business Training**, entrepreneurs write a business plan and access the skills, resources, and individualized assistance they need to start up or expand their small business. Our **Social Responsibility** program component encourages entrepreneurs to become leaders in their community and develop socially and environmentally-responsible businesses. In 2008 we launched our **Green Business Certificate Program**, empowering our business owners to green their operations, goods and services, and commit to advocacy and volunteer projects. As a result of our programs, new businesses are launched, jobs are created, assets are built, and immigrant populations find small business owners that give back to their communities.

In times of financial hardship, we ask you to join us in supporting small businesses to help stimulate local economic growth. By patronizing these businesses you are building a better America for all.

Thank you for your support.

Sylvia Rosales-Fike
President and CEO
AnewAmerica Community Corporation

PS- Now shop with our entrepreneurs online! Through our new e-commerce training program, **the AnewAmerica E-Store**, you can find AnewAmerica fair-trade, handcrafted, and eco-friendly products at:
<http://community.worldofgood.com/anewamerica>.

U.S. Small Business Administration

Your Small Business Resource

Funded in part through a cooperative agreement with the U.S Small Business Administration.

What is Anewamerica Community Corporation?

AnewAmerica is a 501(c)(3) regional, nonprofit asset-building organization, a designated Small Business Administration Women’s Business Center, and a Community Development Entity (CDE). AnewAmerica's mission is to promote the long-term economic empowerment of new Americans - new citizens, immigrants, and refugees - and to encourage their full participation in the political, social and cultural growth of America. Our offices in Berkeley, Oakland, and San Jose serve women and men from over sixty countries throughout nine Bay Area counties.

Our innovative **Virtual Business Incubator (VBI)** assists new Americans for three years to start their own small business, develop their assets in the short- and long-term, and become involved in their communities. Our unique, comprehensive program integrates three vital elements that are essential to economic and social stability that will lead to the creation and building of wealth: Business Training, Asset Building and Social Responsibility.

anewamerica

empowering new american communities in the bay area
